- Wednesday July 17 is poster day at EBLIP7 with activities. The posters will remain up all day.
- 9:45am-10:15am Poster Madness!!!
10:15am-11:30am Coffee and Poster Viewing
- What is poster madness?? Poster presenters will have **one minute** to talk about the contents of their poster to all conference delegates in a plenary session. Creativity is encouraged. The madness will be fun and informative, and will open the door for further discussion to be held after the madness during the coffee and poster viewing time.

Sessions

- Individual sessions are 30 minutes in length. We suggest 20-25 minutes for the presentation and 5-10 minutes for questions.
- A computer, projector, and screen will be available for presentations. Please provide us with your slides or presentations by July 8, 2013 so we can load them onto the computers. Send this information to EBLIP7@library.usask.ca. It is essential that you also bring a copy of your slides on a memory stick.
- A session facilitator will introduce you and keep track of the time, informing you of time remaining if you so wish. Time will be strictly kept to make sure all participants get their allotted time.
- Water will be provided for session speakers.
- We would like to encourage you to submit papers based on your session(s) to the open access journal *Evidence Based Library and Information Practice*
